SIR IAN  
*Botham*  
WINES

A double celebration for Beefy walking down memory lane with friends who have supported him throughout the years. Listen to the stories of how his charity walks became legendary - starting a trend which many have followed. Dressing room banter heard from the sports stars themselves. Music and laughter will accompany a three course meal with fine wines.

Our co host, Sir Bradley Wiggins, who is cycling from Portsmouth to Lord's Cricket Ground on the 15th & 16th September raising money for Beefy's Charity Foundation, won't have much time to put his bike away before swapping his lycra for a shirt and tie!

Beefy will be joined by some of the greats of the sporting, music and entertainment world, making this a night not to miss!
